

A woman with dark hair and a light blue shirt is looking upwards with a focused expression. She is surrounded by numerous long, vertical strands of beaded jewelry hanging from a metal rack. The beads are in various colors, including dark brown, white, yellow, and red. The background is a warm, reddish-brown wall. The overall scene suggests a traditional market or craft stall.

Realise the potential of our **GROWING MARKET SIZE**

Timor-Leste's market size is limitless due to our **proximity** to ASEAN and access to CPLP countries

Realise the potential in **MINING**

Timor-Leste has abundant **mineral** resources,  
including marble

Realise the potential in **FORESTRY**

Timor-Leste has the ability to support large and small-scale **plantations** for sustainable felling

Realise the potential in **TOURISM**

Timor-Leste has breathtaking **natural beauty**

Realise the potential in **TOURISM**

Timor-Leste has **pristine waters**

Realise the potential in **TOURISM**

Timor-Leste is surrounded by world-class coral reefs  
containing precious **marine biodiversity**

Realise the potential in **MANUFACTURING**

Timor-Leste's growing **economy** needs locally produced goods

A large, illuminated electricity pylon stands prominently on the right side of the frame, with numerous power lines radiating from it across a dark blue night sky. The pylon is a complex lattice structure. In the background, a line of trees and some distant structures are visible. The foreground shows a dark, possibly muddy or sandy area.

Realise the potential in **INFRASTRUCTURE**

Timor-Leste's growing economy will require **more energy**

A low-angle photograph of a construction site. Two workers in yellow shirts and white hard hats are visible. One worker is crouching on a horizontal steel beam, while the other is standing further up the structure, reaching for a vertical beam. The structure is composed of a dense network of orange-painted steel rebar and wooden formwork. The background is a clear blue sky.

Realise the potential in **CONSTRUCTION**

Timor-Leste's growing economy will require massive  
**infrastructure**

Realise the potential of our **GROWING LABOUR FORCE**

Timor-Leste has a young and growing population

Realise the potential in **FISHERIES**

Timor-Leste has vast untapped **ocean** resources

A person wearing a blue and yellow shirt and orange shorts is holding a large catch of fish, likely snappers, in their hands. The fish are silver with pinkish-red markings. The background shows a beach, the ocean, and palm trees under a clear blue sky.

Realise the potential in **FISHERIES**

Timor-Leste has a growing supply and demand for **fish products**

Realise the potential in **LIVESTOCK**

Timor-Leste has the capacity to produce quality **meat**

Realise the potential in **WORLD GRADE COFFEE**

Timor-Leste's coffee is unique and **organic**

An aerial photograph of a vast, lush green landscape in Timor-Leste, showing terraced rice fields. The fields are arranged in a complex, winding pattern that follows the contours of the land. A small, white-roofed building is visible in the lower-left quadrant, providing a sense of scale. The overall scene is vibrant and fertile, highlighting the potential for agriculture in the region.

Realise the potential in **AGRICULTURE**

Timor-Leste has quality **land** ready to be made productive

Realise the potential in **AGRICULTURE**

Timor-Leste's growing population will increase **demand for food**

A close-up photograph of a woven basket filled with a variety of fresh vegetables. The basket contains several large heads of green lettuce, some with white ribs, and smaller heads of dark red and green leafy greens. Interspersed among the greens are several bright red, round tomatoes and a few dark green cucumbers. The vegetables are arranged in a dense, overlapping manner, creating a rich texture and color palette. The lighting is bright, highlighting the freshness of the produce.

Realise the potential in **AGRICULTURE**

Timor-Leste has quality **local produce**

Realise the potential in **AGRICULTURE**

Timor-Leste has the potential for **large-scale** production

Realise the potential in **AGRICULTURE**

Timor-Leste is capable of producing a diverse range of **crops**

Realise the potential of **EXPORT QUALITY LOCAL PRODUCTS**

Timor-Leste has skilled local **artisans**
